

Live Oak's tomato history reaches back nearly 90 years. Our commitment to consistent quality is well known throughout the industry. Our product line includes mature green and pink round tomatoes and roma tomatoes. For customers in the West, our two-layer hand packed tomatoes are premium graded and are ideal for California-grown retail programs.

Excellence in Tomatoes:

- Always packed under exacting GFSI food safety standards.
- Mature green and pink (vine ripe) tomatoes
- Hand packed Vine Ripe tomatoes are sorted for color and size using camera technology.
- Roma tomatoes are sorted for color and size using camera technology.
